# Welcome

Dear colleagues and friends,

We warmly invite you to the 10th Annual Meeting of the Androgen Excess & PCOS (AE-PCOS) Society to be held September 21st to 23rd, 2012 in Beijing, China. As you are aware, the AE-PCOS is an international organization dedicated to promoting knowledge and original clinical as well as basic research in every aspect of androgen excess disorders. We are confident that this important meeting will advance the scientific knowledge of androgen-related disorders, particularly in collaboration with our many esteemed colleagues throughout the world. We invite you to share this important opportunity with us to exchange new ideas and to develop collaborations among experts from many different countries.

We also would like to express our special thanks to our invited speakers for their scientific contributions to the program, and to our colleagues and friends for their efforts in planning this conference.

Autumn is the best season in Beijing, especially with our meeting so close to the Chinese traditional Mid-Autumn Festival of “eating moon cake” (meaning family reunion). We hope that you will enjoy our 10th Annual AE-PCOS Meeting in the beautiful city of Beijing as you share the most brilliant moon of the year with our AE-PCOS family members.

We look forward to your participation and offer you a warm welcome to Beijing in advance.

Yours sincerely,

**Selma Witchel , M.D.**

*President of AE-PCOS Society*

**Daniel Dumesic, M.D.**

*Chairman of Scientific Committee*

**Enrico Carmina, M.D.**

*Executive Director of AE-PCOS Society*

**Jie Qiao, M.D.**

*Chairman of Local Committee*
